TRAC match – September 15, 2026 – Mark Kauffman, match director

It is still HOT! Started out at 84° but with 55% humidity! Fortunately, it only got up to 91° and dropped to 41%, but that is still pretty muggy. The "breeze" was between 8 and 10 mph with one brief gust to 16 mph and came at us from the east and working its way around to the south, and back again. It was fairly consistent, so easy enough to work with. I can hardly wait for cooler weather! Otherwise, the sky was mostly cloudy, did cut some of the heat, and cut the glare. All in all, not a bad day……

There were 13 of us today and with the conditions, some darn good scores were recorded….

48/48 – Carl Forrey / RAW TM1000 / Hunter PCP – Good shooting!
47/48 – Peykan Beyrami / Daystate Blackwolf / Hunter PCP
46/48 – Van Tucker / Daystate Air Ranger / Hunter PCP
45/48 – Barry Diehl / Daystate Revere / Hunter PCP
44/48 – Tom Jadlos / Daystate Revere / Hunter PCP, and tied with…
44/48 – Anthony Turchetta / Steyr LG110 / Hunter PCP
43/48 – Jesse Avery / BRK Ghost / Hunter PCP, and tied with…
43/48 – Bill Cole / Daystate Revere / Hunter PCP, and tied with…

37/48 – Loren Braud / BRK Sniper / Hunter PCP
35/48 – Tony Pellegrino / AA TX200 (borrowed) / Hunter Piston

The state PCP championship is this coming weekend at Mormon Lake. So far, we have 20 registrations. If you haven't registered yet, time's a wasting… The weather forecast actually looks encouraging, and should be 3 nice days of shooting. Take rain gear with you anyway…..just in case.

We have only gotten 10 votes for AAFTA BOG nominees!!! Please get your votes in before this weekend, as we have to submit our club vote to AAFTA.

Other than that, thanks to everyone who helped set up and to those who helped tear down, as well. I know it is hot and not everyone is feeling energetic, but your efforts are appreciated, so thank you for the help.

That's it for now. Haven't heard anything yet from Larry about his procedure, but he is in our prayers and we are thinking about him. We have our fingers crossed.

Respectfully submitted,
Mark Kauffman

Today is a good day to try!
