

TRAC match – April 28, 2026 – Wayne and Mark covering for Larry

Pistol / Piston Day and Larry was absent today. Hell, damn near everybody was absent today. We had a grand total of 8 shooters; 2 pistol shooters, 5 piston shooters, and one puffer gun because he is having problems with his springer shooter. That would be Wayne.

All good. Perfect day; no clouds, bright sunshine, a bit cool but comfortable. 66° up to 73° with humidity in low 20's. NO WIND! Well, very little wind, let's put it that way. 3 mph up to a max of 7 mph and shifting from SSW to SSE. Just enough to make sure there were no perfect scores today.

The course was set before I got to the range at 7:15. Those who set it are calling it the SPRING PISTON APOLOGY course. I am guessing it is in response to the recent state shoot conditions. Who knows? Take your best guess. Could be also why so few shooters in attendance. Those who did show had a good time.....except for maybe Van. He only got a little vocal.....LOL! What a comedian!

In the pistol category....

44/48 – Anthony Turchetta / RAW TM1000 pistol / Hunter pistol

24/48 – Barry Diehl / BRK Atomic / Hunter pistol

In the piston category...

47/48 – Mark Kauffman / AA TX200 / Open Piston

44/48 – Jesse Avery / AA Prosport / Hunter Piston

42/48 – Loren Braud / HW98 .20 cal / Hunter Piston

39/48 – Bill Cole / AA Prosport / Hunter Piston

37/48 – Van Tucker / AA TX200 / Hunter Piston

In the puffer gun category...

44/48 – Wayne Mauler / Daystate Wolverine / Hunter PCP.....in Wayne's defense, he filled the air reservoir of his pistol, only to hear it go".....ssssssssssssss.....!" Oh, well...

Next week is May already! It is Cinco de Mayo, AND Taco Tuesday, both on the same day! Not sure how we are gonna celebrate that, but just wanted to point that out, for what it is worth.

Other than that, nothing else to report, except that the burgers at Wild Horse West are always good afterwards.

Respectfully submitted.
