

TRAC match – October 21, 2025 – Mark Kauffman, match director

Apparently, with only a one-week hiatus from shooting, a number of shooters were going thru withdrawal symptoms. We had 15 guys show up to shoot today, including long-time-no-see Bobby Corcoran and even longer-time-no-see Len Tlapa! Must be close to 10 years for him! Welcome Back!

Of course, the weather today was super nice. Cool breezes and temps early, under clear, cloudless skies. Temps in the low 70's and humidity in low 40% range. Wind? What wind? There was next to none; maybe a little bit between zero and 5 mph coming from behind us, alternating between SE and SW. Perfect! With this many shooting the 6 lanes got a bit snug with 3 groups of 3 and 3 other groups of 2. If this keeps up, we may have to add more lanes. We still shot thru the course in under 2 ½ hours. Oh, we also started later, as well. Set up started about 7:30 and shoot started at 8:30.

With the exception of Larry and yours truly (piston shooters), all others shot Hunter PCP. Some great scores were posted, with both Bobby and Van shooting perfect scores. With the negligible wind, the Troyer factor was estimated to be in the low 30's. Definitely doable.

With this many shooters, would you prefer to see the scores listed as above, or in table format as with the monthly report? Just giving you the choice. Let us know.

Next Tuesday is Pistol / Piston Day with Larry as match director. No idea at this time as to what weather will be like, but if anything like today, it will be perfect! It can only get nicer until it starts getting into the winter months, and even then it is pretty nice. I, for one, am glad that this past season's heat is behind us. That was starting to get old.

I did get an email from the AAFTA BOG listing a rule change for next year. Not sure I could make heads or tails out of it, so, with Larry as our resident BOG member, I am going to let him attempt to explain it to all of us.....when he gets a chance.

Nothing else to report at this time, so will be signing off.....

Respectfully submitted,
Mark Kauffman
