

TRAC match – May 12, 2026 – Anthony Turchetta, match director

The theme for today's match was "Between 30 and 40". Between 30 and 40...what? Turns out it was between 30 and 40 Troyer.....as in difficulty rating. With Tony as match director, he wasn't lying either.

It looked like it was going to be a nice day, which it was. The temps were a bit warm, from 90° up to 97° and humidity in the low teens. We had partially cloudy skies, but with sun poking through and creating a lot of glare. The wind was as forecast; between 5 and 10 mph, from various directions, and swirling about the range. The usual fun stuff.

Ten shooters today, minus Wayne and Larry, who are both on vacation. We started at about 8:10.....remember, Tony was match director.....and finished at 10:00. It did move along quite nicely, with frequent utterances when shots didn't go quite where they were expected to go. You know, the usual stuff. The scores were spread out, as well.....

47/48 – Carl Forrey / RAW TM1000 / Hunter PCP
43/48 – Van Tucker / Daystate Air Ranger / Hunter PCP
42/48 – Anthony Turchetta / Daystate Revere / Hunter PCP
41/48 – Peykan Beyrami / Daystate Blackwolf / Hunter PCP
39/48 – Jesse Avery / BRK Ghost / Hunter PCP, and tied with...
39/48 – Bill Cole / Daystate Revere / Hunter PCP
38/48 – Stan Mountford / FX Dreamline / Hunter PCP
34/48 – Barry Diehl / Daystate Revere / Hunter PCP
30/48 – Mark Kauffman / Steyr LG110 / Open PCP
25/48 – Loren Braud / BRK Sniper / Hunter PCP

Ya think the wind had anything to do with today's score? It wasn't much, but it was shifty.....LOL!

OK, almost let this one slip by.....the next monthly match is this coming Saturday, May 16, 2026. With lots of folks away on vacation, not sure who will be attending, but we will be there, regardless. Hope to see you, as well.
